Payment of Visa Fees

National Electronic Funds Transfer (NEFT)

Visa Fees are not refundable. If you have encountered an error with your payment or you believe your payment was not successful, DO NOT PAY THE FEE A SECOND TIME AS IT WILL NOT BE REFUNDED. Please email our support center at support-india@ustraveldocs.com with your concern and we will investigate. Be aware that if you request a chargeback that reverses the charge or payment, your case will be promptly investigated which may lead to fines and/or other legal action.

You may use the instructions below to pay your US$ visa application fee with an electronic funds transfer (EFT) payment directly from your bank.

CURRENTLY WE DO NOT ACCEPT OVERSEAS ELECTRONIC FUNDS TRANSFERS. YOU CAN ONLY MAKE THIS PAYMENT IF YOU MAINTAIN A RUPEE BANK ACCOUNT IN INDIA.

Please print this page for your records. Remember to make only one payment per unique account number.

The MRV fee is payable in Indian Rupees only. The INR amounts accepted by the U.S. Department of State for each USD equivalent are specified on the deposit slips and EFT payment pages below and on other pages on this web site. Payment of an incorrect amount may result in processing delays or result in having to repay the MRV fee.

Note: Premium delivery of passport/document is available at an additional fee of Rs.500/- per individual, payable in cash only. Payment for this service needs to be made to the courier at the time of delivery of passport/document. This service is optional.
